

Spirit-Led Success...

It has been said that there are two great tragedies in life. The first is not knowing your purpose... the answer to the big “WHAT on Earth Am I Here For?” question raised in Pastor Rick Warren’s *The Purpose Driven Life*. The second, and potentially an even greater tragedy, is KNOWING your purpose, but not LIVING it every single day you are alive.

LOVE, SERVE, GLORIFY...

As a believer, you know that the spiritual purpose for your life here on earth is to love and serve God and all of His creation, to His honor and glory. This *Believer’s Guide*, and the accompanying resources, have all been designed to help you quickly move beyond a basic understanding of your core purpose — to a heightened level of performance — so that you can ACHIEVE greater SUCCESS in every area of your life: Spiritually, Personally, and Professionally.

Our goal in developing this measurable, systematic process for “Spirit-Led Success” is to give you an exciting new Starting Point for making the rest of your life, the best of your life... today... not “someday” later.

You might even think of the process you will be experiencing as “Personal Growth With Divine Guidance.”

With The Lord standing at your side and the Spirit of the Lord within you as you work through the materials, you will start to put your life in proper perspective and, maybe for the first time ever, feel a strong sense of calling, passion and direction that may have been missing in your life.

By the time you have completed the *Believer’s Guide*, you will be given two of the most important drivers of success known to man: Direction and Directions.

Yes, the title says it all. This is a *Believer’s Guide* to Achieving Success... and doing it On Purpose... by giving you crystal-clear directions and pointing you in the right direction — what we call your Authentic Direction — the direction governed by the spiritual revelation and guidance found in your Bible and confirmed in your heart before the Lord.

Winning Your 5 Most Important Missions in Christ...

Please take a moment to study the image on the front cover. You will see five golden circles with a cross in the middle. The symbolism of the cover, and the objective of our Spirit-Led Success initiative, is to put Christ at the center of all the missions you take on in life — especially these five golden missions:

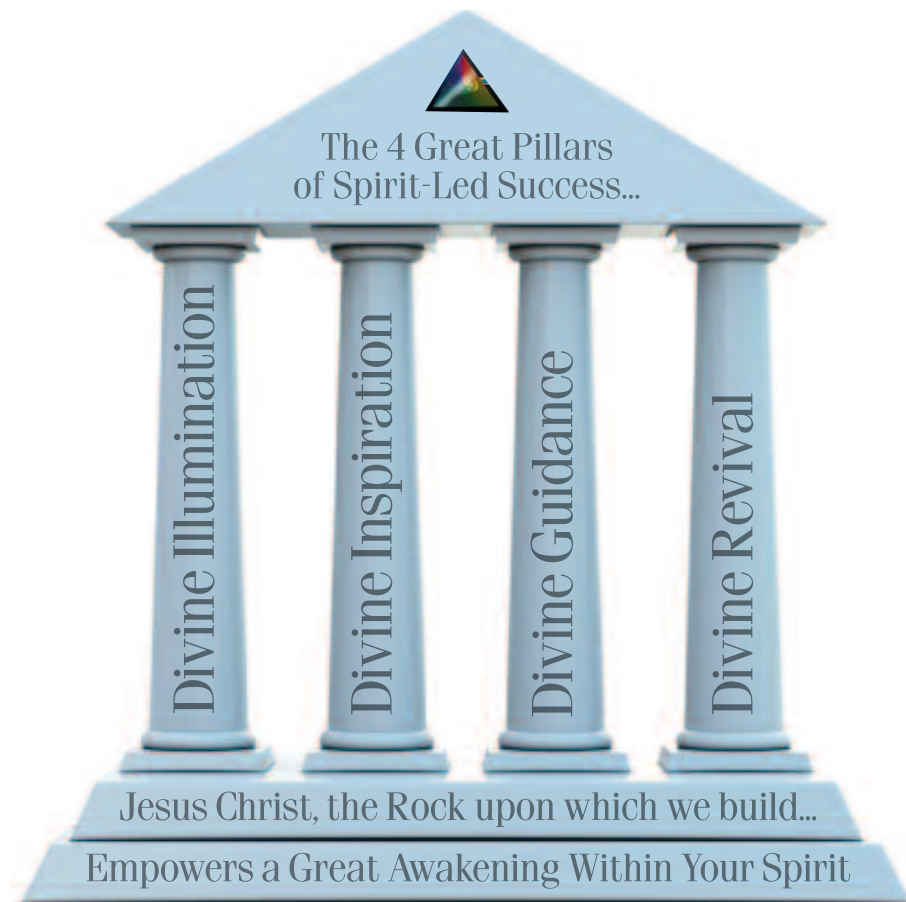

1. A FAITH MISSION, to continuously strengthen your relationship with God. Build your faith, and your faith will continue to mold you as a person...
2. A PERSONAL MISSION, to become what God expects of you... to wisely use all the gifts and talents He has given you... to become the best YOU possible. Improve the total you by “conforming into His image,” and you will greatly enhance your most important relationships...
3. A RELATIONSHIP MISSION, to love and contribute to those closest to you — your family, life partners and friends. Grow your personal and professional relationships, you will naturally desire to expand your contribution to the church — to become a true Disciple of Christ in the broadest sense...
4. A CHURCH/DISCIPLESHIP MISSION, to make a positive impact on the world you live in. Grow the church at large, and you create exciting new opportunities locally, nationally and globally to bring people to Jesus, and influence believers to grow in their relationships with Him.
5. A CAREER MISSION, to improve your skills at your vocation and provide for the financial needs of those whom you love. Grow your career, and you will expand your capacity to achieve even greater GOALS as the Lord leads, directs and empowers — physically, emotionally, spiritually and financially — always working to complement His plan for your life.

Remember, Christ has no body on Earth but YOURS...

The *Believer's Guide* provides you with two vital resources: True Direction and the step-by-step, written Directions to WIN these five success-critical Missions — and create exciting new ways to live for Christ, this side of eternity.

“The *Believer's Guide* provides both the strategy and the structure for success in life and ministry. It will take you beyond mere wishful thinking, to mapping out details to arrive at levels never imagined possible. Once you can see a clear snapshot of the inner workings of your soul (mind, will, and emotions), the right adjustments can be made in prioritizing your life for your true work and mission. I highly recommend it to every Christian leader that is serious about making a difference in steering this generation in the right direction.”

— Woodrow Walker, Senior Pastor, Abundant Life Church, Lithonia, Georgia

The *Believer's Guide* is grounded in the Holy promise found in Philippians 4:13 KJV “I can do all things through Christ which strengtheneth me.” He is the rock upon which the 4 great pillars of success, earthly and eternal, is built...

1. DIVINE ILLUMINATION — His beacon of light shines on your life, so you can see exactly what you must do differently to improve your strengths and eliminate what's holding you back from achieving all your dreams.
2. DIVINE INSPIRATION — Emboldens you to experience the Miracle of Creation... rather than just aimlessly plodding through life — never becoming the person you were actually meant to be.
3. DIVINE GUIDANCE — Christ takes an active role in helping you discover the Authentic Direction for your life — so you can master the 4 R's of living in the abundance afforded by personal excellence: doing the Right Things, for the Right Reasons, in the Right Way... all at the Right Time.
4. DIVINE REVIVAL — You experience a true rebirth of spirit — extended outward into your church, your community and the world at large.
